

CUSTOMIZED FACIALS

TAILOR TO FIT FACIAL

This treatment is designed with results in mind. A customized facial featuring products and techniques tailored to replenish, revive and soften skin. Each treatment begins with a deep cleansing, professional product exfoliation and extractions if needed. A luxurious treatment mask and soothing massage complete the experience.

SPECIALTY FACIALS:

DARPHIN CAMOMILE AND HONEY SOOTHING FACIAL

A calming cocoon for aggravated complexions. Gentle cleansing and mild exfoliation followed by a pillowy soft "flower bandage" mask blending hawthorne, shea butter and honey provides an incredible sensation of comfort and calm. Helps to relieve visible redness and prepares the skin's defenses against environmental damage.
